Netaphor Expands Distribution for SiteAudit Managed Print Service Software

Irvine, Calif. – September 6th, 2011 – [Netaphor](#) Software, a provider of [managed print service](#) (MPS) software, today announced that it has added two new resellers to its network of worldwide channel partners.

MPS Expertises, based in Paris, France and [Bryan S. Ryan](#) based near Dublin, Ireland, will use Netaphor’s SiteAudit solutions to expand their [MPS](#) offerings for customers in their respective countries. These resellers will offer SiteAudit to organizations needing print audit and ongoing fleet management services.

SiteAudit solutions continue to gain traction among resellers because it enables a wide array of MPS services. Among these services are consumables management, iMAC/R and fleet health reporting.

“MPS Expertises and Bryan S. Ryan will expand our MPS footprint in vertical and regional growth markets,” added Brian Anderson, vice president of sales and marketing of Netaphor Software. “We continue to find excellent partners in Europe as the SiteAudit software fits well into the European consultative MPS methodology,” added Anderson.

About Netaphor

Founded in 1997 and headquartered in Irvine, Calif., Netaphor Software, Inc. develops and sells software for managed print services. The company’s flagship product, SiteAudit, is the industry’s first software suite to identify, reduce and manage printer costs, saving organizations up to 30 percent during the printer asset lifecycle. SiteAudit customers include organizations in the pharmaceutical, industrial, technology and education industries including Spectrum Health, Jacobs Engineering Prometheus Labs, Children’s Hospital of Philadelphia and Federal Aviation Administration (FAA).
