

For Immediate Release

**Netaphor Software Inc. to Exhibit at CompTIA ChannelCon 2016 –
Booth # 711**

Netaphor a MPS Software Provider to Showcase SiteAudit Audit and Fleet Management Software at the IT Industry's Premier Conference for Collaboration, Education and Networking in Hollywood, Fla. #ChannelCon16

Irvine, CA – August, 2016 — [Netaphor Software](#) today announced it is exhibiting at [CompTIA ChannelCon 2016 "Breaking Boundaries,"](#) the premier collaboration, education and networking event for IT vendors, distributors and channel partners, August 1-3 at The Diplomat Resort & Spa in Hollywood, Fla.

Hosted annually by CompTIA, ChannelCon is attended by technology vendors, distributors and solution providers, as well as industry influencers, press and analysts from across the IT channel. More event details, including registration, are available [here](#). Follow Netaphor and [CompTIA ChannelCon](#) via Twitter using hashtag #ChannelCon16.

Throughout CompTIA ChannelCon 2016, Netaphor will engage with hundreds of IT professionals and highlight its SiteAudit MPS software, which is available to channel partners in the United States and around the world. To secure an appointment with Netaphor at ChannelCon, please email banderson@netaphor.com or call (949) 232 9170. Event attendees are encouraged to visit Netaphor at booth number 711 during the Technology Vendor Fair.

"The CompTIA Channelcon event is an excellent venue to meet new customers and renew key industry relationships," said Brian Anderson, vice president of sales, Netaphor. "ChannelCon is the only event we attend in North America simply because it always has the right mix of

channel partners in attendance, features great content and offers a lot of opportunities to network.”

“CompTIA ChannelCon attracts the industry’s best and brightest minds, delivering exceptional business value through high-impact training, educational sessions, industry panels, keynotes, networking opportunities and working groups on the most important topics and trends affecting the technology industry,” said Kelly Ricker, senior vice president, events and education, CompTIA. “We’re delighted to have Netaphor demonstrate its success and share market perspective with this year’s ChannelCon attendees.”

To learn more about Netaphor, visit www.netaphor.com or follow us on Twitter [@NetaphorInc](https://twitter.com/NetaphorInc).

More information on the complete CompTIA ChannelCon 2016 program, including keynotes, panels and educational sessions, is included in the event agenda available [here](#). Registration for CompTIA ChannelCon and the [ChannelCon Vendor Summit](#) is open and available [online](#).

Media and IT industry analysts are encouraged to attend the conference. Highlights from CompTIA ChannelCon will be available on Twitter and Facebook with the hashtag #ChannelCon16.

About CompTIA

The Computing Technology Industry Association (CompTIA) is a non-profit trade association serving as the voice of the information technology industry. With approximately 2,000 member companies, 3,000 academic and training partners, 80,000 registered users and more than two million IT certifications issued, CompTIA is dedicated to advancing industry growth through educational programs, market research, networking events, professional certifications and public policy advocacy. To learn more, visit [CompTIA online](#), [Facebook](#), [LinkedIn](#) and [Twitter](#).

Netaphor Software Inc.

Founded in 1997 and headquartered in Irvine, Calif., Netaphor Software, Inc. develops and sells software for managed print services. The company’s flagship product, SiteAudit, is the industry’s first software suite to identify, reduce and manage printer costs, saving organizations up to 30 percent during the printer asset lifecycle. SiteAudit customers include organizations in all industries including Jacobs Engineering and Children’s Hospital of Philadelphia.
